Hi Anthony,

Do you have a sense of what Cyndy wants to convey re: Wolverine and the agency action plan? Do you know how much time she wants to spend on the topic?

Peace, Elisabeth

Subject: Talking Points for PFAS and Wolverine

Hi Elisabeth,

Cyndy is going to the ASTSWMO CERCLA Subcommittee meeting on February 6. We're briefing her next Thursday; I think you're on that invite for the briefing. I'm gathering and drafting talking points for Cyndy for the variety of items that we've identified that we will want to talk about or that the states could potentially raise. Could you please send me some TPs for Cyndy regarding the PFAS Action Plan and Wolverine? If you can send them by Wednesday, that would be great. Let me know if you have any questions.

Thank you,
Anthony
